This combined course is presented by the Physicians' Association for Anthroposophic Medicine and the Medical Section at the Goetheanum and is intended to offer currently licensed medical prescribers (MDs, DOS, NDs, NPs and PAs) foundational perspective and information to begin prescribing mistletoe therapy. This course does not offer any type of certification or mentoring, but practitioners are encouraged to utilize the Mistletoe Practitioner Circle to post questions to colleagues. Faculty support remains available by writing to [paamdrscourse@anthroposophy.org](mailto:paamdrscourse@anthroposophy.org) after the entire course has been completed.

*\*Mistletoe is not approved by the FDA for any specific medical diagnosis or treatment.*
